Top 7 Reasons for Teens to Study Abroad with NRCSA

#7 Be a world traveler! Studying abroad offers you the opportunity to experience life in another city and country other than your own. Plus, many programs include fieldtrips and travel to a variety of sites of interest outside the host city.

#6 Learn the foreign language much faster than you would at home! Being constantly surrounded by native speakers of the language, on average, allows students to learn, on average, about as much in 4 to 8 WEEKS in the foreign country as they do in one or two SEMESTERS of study in their home country.

#5 Meet other high school students from around the world! All NRCSA programs are multi-national and accept students from around the world. Many locations welcome students from as many as 20-30 countries each year!

#4 Join a program doing things you like best! Do you like soccer? Beach volleyball? Horseback riding? Are you into music, art, cooking, or dancing? Many teen programs offer the opportunity for students to get involved with a number of different areas of interest in addition to the study of the local language and culture.

#3 Live with someone else's family for awhile! It's always great to be a guest in someone's home... and experience another mom's great cooking! Many programs abroad offer students a chance to live with a "host family". Request a family with other teens your age, and the possibilities for a great time are endless. Alternatively, some teen programs offer student residence lodging (similar to a university dorm – but for high school students) instead of a homestay.

#2 It's never too early to start building your resume!

Applying for a job isn't the only time a diverse resume comes in handy. When you are applying to universities and colleges, any experiences that make you unique increase your chances of being accepted. Participating in school government and clubs, sports, volunteer work, and all types of international experiences all look great on your application form... and the more you've done when it comes time to apply, the better.

#1 You don't have to spend the summer bored, or worse, in a summer school math class!

This summer, do something different, get ahead in school, and have an awesome time!

Students can arrive any time on the arrival day listed on their invoice - this day is usually the Sunday before the first day of class. If you will need to arrive earlier, please advise your program coordinator as early as possible. Additional nights of lodging and insurance, if any, will be at an additional cost.

More information about the arrival day, arrival transfer procedure, etc will be sent prior to departure.

Departure Date:

Lodging typically ends the Saturday after the last day of class. If you will need to depart later, please advise as early as possible. Additional nights will be at an additional cost.

Travel Documents:

- Valid Passport
- A minor (under 18 years old) traveling alone must carry notarized permission signed by both parents. In the event of death, divorce or non-marital status, substantiating and notarized documentation must be carried, (i.e. Death Certificate, divorce decree, legal guardianship, etc.), with the legal guardian signing the notarized permission.

Airline Ticket:

Two resources for discounted student air tickets are:

- Exito Travel: 800-655-4053
- Student Travel Association: 800-781-4040

Orientation - First day of Class:

On Monday morning, the first day of classes, students will all attend an orientation session. At the orientation, students will take a tour of the campus and learn more about the resources of the NRCSA Center and city, go over schedules and procedures, meet all the staff, take language placement exam to determine class placement, and do activities to help build a sense of community within the student body and help students to get to know each other. Since the first week in a foreign country is always the biggest adjustment, it is best that all students arrive in the foreign country in time to be able to attend the orientation and first day of classes - late arrivals are not recommended.

Curfew:

Bedtime in Schmöckwitz Summer Camp is at 10 pm.

Parental Permission:

This form must be carried with the student as part of his/her traveling papers. BOTH PARENTS MUST SIGN. If through death, divorce or non-marital status there is only one parent, a substantiating document must be carried (i.e. Death Certificate, legal guardianship, or divorce papers).

Pocket Money:

Students should bring with them (via traveler's checks or ATM card for bank withdrawals) an allowance for personal expenses, local transportation, shopping and other miscellaneous expenses. The teen programs include 3 meals per day. This means additional money for food specifically is not needed, unless students want to buy snacks, bottled water while on an excursion, etc. Parents are free to give their children any amount of money they consider appropriate, as a guideline, \$75-100 USD per week is recommended and typically more than enough to cover the average student's needs.

Meals:

You'll have all your meals at the campus cafeteria. On excursion days you will receive a packed lunch. Vegetarian options are always available, but please let us know in advance if you will require a special diet, have food allergies, etc.

Visitors and Telephone Calls:

Overnight visitors in student lodging is not allowed. If parents, friends, etc will be visiting, please contact your program advisor for help with alternative lodging for them. Students may receive telephone calls in their lodging at reasonable hours, unless there is an emergency in which case students can be contacted at any time. Phone calls can be received, also, for students at the school. Parents should keep in mind that the teen programs have very active schedules, and you may not be able to reach your teen at all times. It is better to set up occasional "phone dates" and to rely on more frequent communication by email - which is always available to students at the Center or at local internet cafes.

Roommates:

Most of our programs give you the opportunity to have a roommate close to your age, and typically they are of another nationality. We recommend that two or more friends attending the program together opt for separate homestays, even if in homes close to each other, to allow for the unique exchange opportunity of having a roommate of another nationality, and also to encourage speaking the local language while in your homestay. Two or more friends can request lodging together, if they wish.

Linens and Laundry:

Bed linens and towels are provided, but you may want to consider bringing a beach/pool towel. In some countries, bath towels are very small and students may prefer to bring one of their own. Laundry service is included: Your laundry will be collected and washed at least once a week.

What to bring / pack:

We recommend that students do not bring large or heavy luggage that they cannot comfortably carry themselves. Also, students should leave some space for souvenirs and presents - very few students don't go home with more than they came with!
